

Kanangra-Boyd to Wyangala Link Paddock Tree Recovery

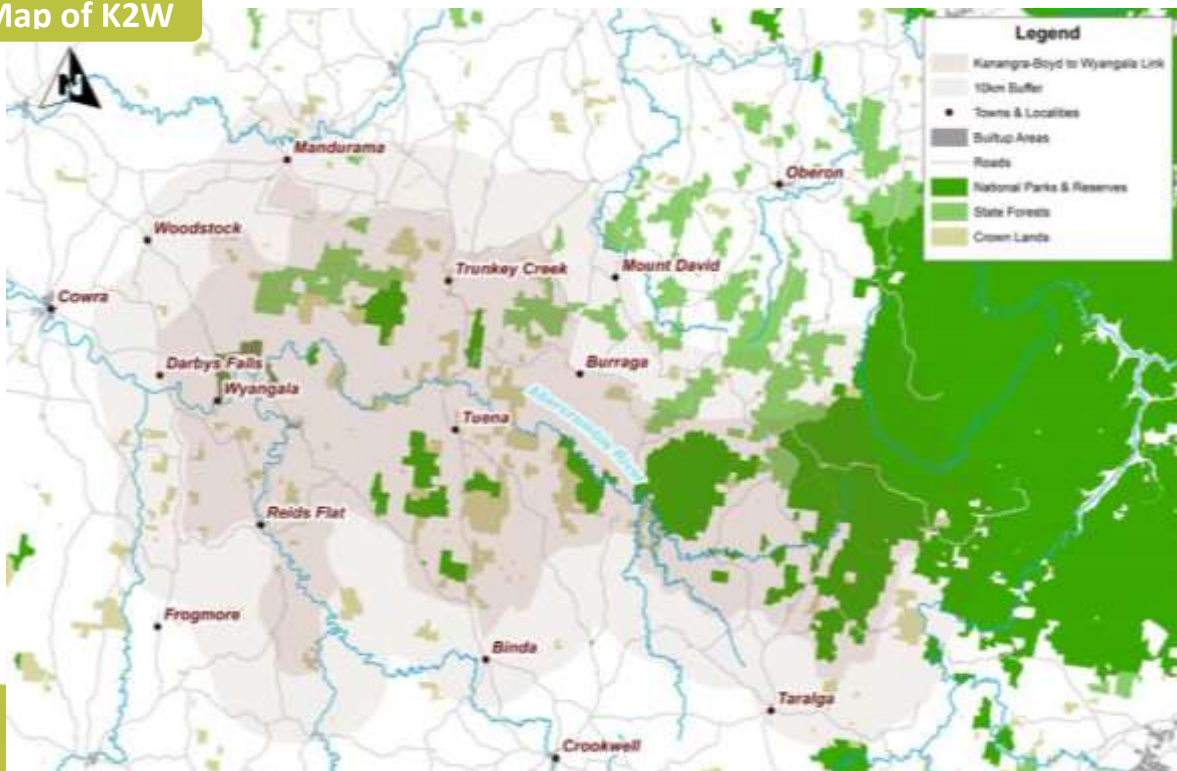

The Kanangra-Boyd to Wyangala Link (K2W) Glideways program has funding available to assist farmers within the Abercrombie River Corridor (see map) to replace native trees and shrubs that have been lost due to drought, senescence, and the recent bushfires.

- ✓ We will fund up to \$3.75 (ex GST) per stem (including plant and guard) up to a maximum of \$2500 per property.
- ✓ The project will only fund native trees and shrubs and all work will need to be completed before end of May 2021.
- ✓ All successful applicants will enter an agreement with the Foundation for National Parks & Wildlife and will be required to submit a report at completion of project.
- ✓ Projects must be located within the K2W corridor (see map below)
- ✓ To be eligible for funding *Expression of Interest* must be received before **30 June 2020**
